DAY THREE

In Makkah

One quiet night by the Ka'bah, Prophet Muhammad ﷺ was sleeping when a gentle voice woke him, it was the Angel Jibrail. "Come," Jibrail said. "Mount the Buraq."

The Buraq was an amazing animal a little smaller than a horse. It had white in colour and extremely fast. The Prophet ﷺ climbed on, and with Jibrail by his side, they set off into the night.

The Amazing Journey

You might wonder: how did they travel hundreds of miles in one night? The secret is: the Buraq is a special creature from Jannah. The Buraq could travel as far as the eye could see in less than a blink!

Imagine speeding across deserts so fast the moon looks like a silver coin rolling by. With a

flash, they arrived at Masjid Al-Aqsa in Jerusalem.

At Masjid Al-Aqsa

When they reached Masjid Al-Aqsa, Prophet Muhammad ﷺ tied the Buraq to a ring in the wall. Then he quietly stepped inside. The masjid was filled with people, but these were not ordinary people. The call to the prayer was made.

Leading the Prayer

Angel Jibrail asked the Prophet ﷺ to lead the prayer. He stood and led the most beautiful prayer you can imagine. All the worshippers followed him.

Who Was Praying?

Who were those people behind the Prophet ﷺ? They were the prophets of Allah. Every single one of them was a prophet sent to earth by Allah. Imagine row after row of prophets from the very beginning of time like

the Prophet Ibrahim, Musa, Isa, and many, many more (peace be upon them all).

There were thousands upon thousands of prophets and all together they prayed. And our beloved Prophet Muhammad ﷺ was the Imam, the leader.

A Choice of Two Drinks

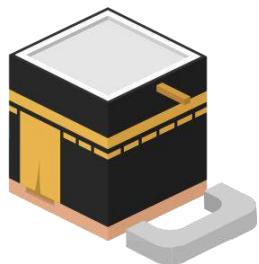

After the prayer, Angel Jibrail offered the Prophet ﷺ two cups: one with wine and one with milk. The Prophet ﷺ chose the milk.

Jibrail explained that the milk meant guidance and goodness for the Prophet's people. A sign that his community would be rightly guided.

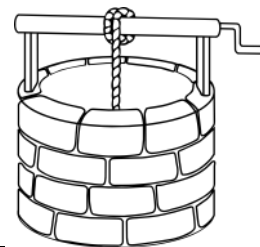

The Journey Continues

If you thought that was incredible, the night still had more wonders to come. Prophet Muhammad ﷺ and Angel Jibrail continued their journey to other places.... We will discuss next time.

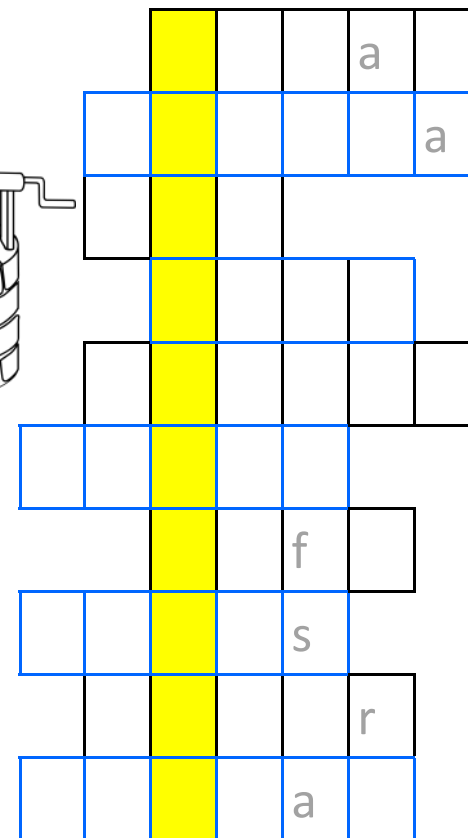

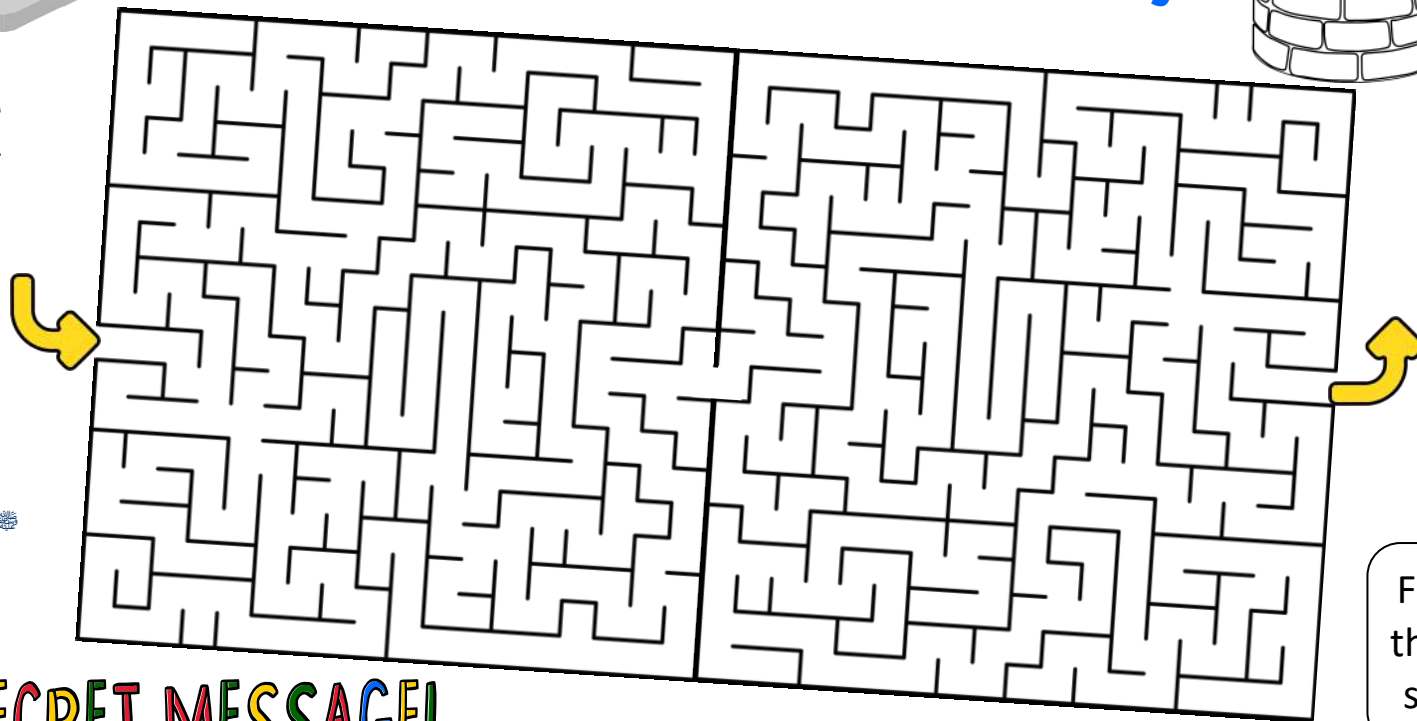

THE ZAMZAM WELL

After waking up Prophet Muhammad ﷺ, Jibrail purified our Prophet ﷺ's heart with Zamzam water and filled it with wisdom and knowledge.

Help Angel Jibrail get some Zamzam water to purify our prophet's ﷺ heart.

THE SECRET MESSAGE!

Prophet Ibrahim ﷺ was commanded by Allah to leave his wife **Hajar** and baby son Ismail in the **vast desert** and return home to Jerusalem.

When the food and water ran

out, Hajar ran between the two **hills** of **Safa** and Marwa to see if she could spot any traveller who could help them.

She had left baby Ismail ﷺ in the valley who started crying and kicking his feet.

When she returned to Baby Ismail ﷺ, Allah blessed them with gushing water.

She said "zam zam", which means stop stop. The blessed **Zamzam** water has been running ever since.

Later Ibrahim ﷺ came back to see his **son** Ismail ﷺ and **built** the Ka'bah in Makkah.

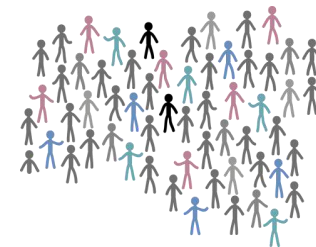

Masjid **Al-Aqsa** was built by Prophet Ibrahim ﷺ and his son, Prophet **Ishaq** ﷺ.
